LABOR DAY :: SEPTEMBER 6th

JRC Mechanical will be *closed Monday Sept 6th* in observance of Labor Day. We will see you Tuesday Sept 7th.

President Grover Cleveland who signed Labor Day into law was in fact a staunch opponent of organized labor groups. Nevertheless, he pushed Labor Day through Congress in lightning speed in order to stop literal riots that were breaking out across the United States.

Happy Birthday!!

**Thank you Alex Komlev for your 3 years of dedication to JRC Mechanical. **

Common Sense Safety Back to Basics

- Eliminate junk piles
- Examine all the operations of your workplace to determine if personal protective clothing is needed
- Make sure all electric power tools are grounded
- Inspect portable ladders to make sure they are secure
- Fire extinguishers are a must and should be mounted properly, readily accessible, and in working order
- Exits should be clearly marked with easy to read signs place above the doors

"The pessimist complains about the wind; the optimist expects it to change; the realist adjusts the sails" - William Arthur Ward
